

FIVE LITTLE PUMPKINS

Five little pumpkins sitting on a gate

The first one said "Oh my it's getting late"

The second one said "There are witches in the air"

The third one said "But we don't care"

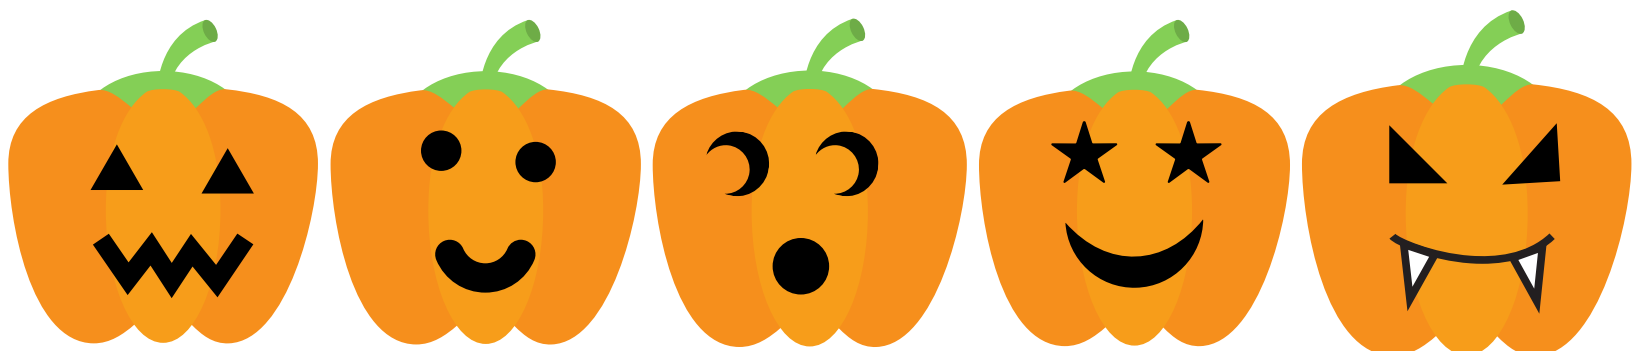

The fourth one said "Lets run, run run"

The fifth one said "Isn't Halloween fun?"

Then Wooooohooo went the wind

And OUT went the lights

And 5 little pumpkins rolled out of sight!

Five Little Pumpkins Craft

How to use;

Cut and paint/colour your paper plate as instructed. Cut out the fence, the moon and the witch to stick onto your plate. Cut your fence to size. All paper plates are different sizes. If it is too long, trim it down.

Then cut out your pumpkins and stick them to craft sticks or pegs. You can give your pumpkins faces so they look like jack-o-lanterns.

Use your pumpkins sitting on the fence as you sing along to the song.
